

SHILSHOLE BAY MARINA

SHILSHOLE BAY MARINA DOCK CAPTAIN ONBOARDING CHECKLIST

The Dock Captain Program is intended to foster the mutual goals of enhanced marina security, safety, environmental stewardship, and boater education. As a Dock Captain, it is important that you have a solid understanding of the rules and processes that we have established and require of our moorage customers so that you are able to be an effective educator to both current and new customers.

Dock Captain Orientation

- Review LAB Agreement, Shilshole Blog, V-Man, Shilshole Handbook (on POS website)
- Review Required Management Practices of Shilshole Bay Marina
- Post their name and slip number on the inside of their dock gate
- Water hose protocol (winter/summer)

Complete hands-on training on:

- Sewage and bilge pump out equipment
- Locations and proper disposal of sewage, garbage, recycling, and pet waste
- Locations and proper disposal of hazardous material including fuel, oil, antifreeze, and other hazardous material
