

Notes from Port/Dock Captain's meeting Tues, 9-11-18

Mark Longridge, Seaport Project Management: The lowest restroom/paving bid came in over \$2m higher than the Port's budget so construction is on hold til the project can be reassessed.

Security-Port of Seattle Police:

- Don't allow people you don't know to tailgate through the gates or restroom doors. This is a common way for people to gain access by claiming they "lost their FOB" or they are "going down to their friend's boat". Kindly direct them to the office where they can get a FOB.
- Motion sensor cameras are to be mounted on the jetty ends to monitor 360°
- G-dock had concerns about kids running up and down the dock without parental guidance or lifejackets. Port policy is that anyone 12 and under is required to be supervised by an adult.
- There were 21 incidents here at Shilshole in the last 3 months, including hit and run, suspicious actions, welfare case, theft, DUI, trespass, vandalism, and disturbance; there was a break-in in M4 restroom where they crawled through the window
- The POS Police do not currently have a public site to monitor crime statistics on Port property but will be considering it
- Coffee with a Cop will be held Wed Oct. 3rd, at Jibe. This is a chance to meet the Port police and ask your questions and they will buy your coffee. Watch for signs on the gates.
- There is no recreational swimming in the marina
- *Non-emergency number for **Port Police is 206-787-5401***

Tracy-marina updates:

- Paul Robinson is the new Customer Service Rep at the front desk
- Kaitlyn Jenson is now the moorage coordinator
- 2 areas that will each accommodate 4 Electrical Vehicle Charging Stations have been approved and will be installed at the north and south ends of the marina
- Additional motorcycle parking to be added on the north side of the marina building
- Maintenance staff continues to work on the fire suppression and electrical line supports under the dock ramps
- The new marina wide emergency PA system seen on the gates is operational and will be tested Sept 19th at 2pm.
- Wifi should be ready by November, Echo Wireless is the provider and estimated at about \$17/mon. No other details available. BlueSpan is another wifi service that installed an antenna on the Sunset West Condos and is still in testing mode.
- Electricians are changing out the meters on the electrical boxes due to uv damage
- Leif Erickson statue by the guest dock to undergo a cleaning this fall
- The 2019 Port budget has planned for continued cleaning and sealing of docks, more emergency ladders on piers, landscaping, rehab of the fuel dock, and replacing the X dock pier and pilings

Notes from Port/Dock Captain's meeting Tues, 9-11-18

- Sharps (needles and blades) have been found in the North end compost bin and are dangerous for the staff. The Port will install sharps containers outside the restrooms. If you see needles (sharps) in the parking lot, call the Port cell 206-601-4089 immediately for pick up-they have the proper tools in the trucks
- BN Railroad is replacing the Ballard RR bridge. It will take about 2 years for the permits before construction begins and will be built 50 feet west of the current bridge

Stephanie Riley-Port of Seattle marketing assistant:

- Dockside Solutions is now Dockside Mail
- Port U series-open to the public (see Port of Seattle website) explores Airport 101 on Sept 20th, and Cargo 101 on sept 27th
- Fishermans Fall Festival is Sat 9/15, 11-6, Fishermans Terminal
- If you cruise to Bell Harbor this winter for shopping or a game, monthly Shilshole tenants will receive \$10/night off the Bell Harbor Moorage rate
- You can subscribe to any Port newsletter publication by going to preferences at the bottom of any Port webpage
- Seattle Boat Show is in January and free tickets for tenants will be available at that time

Shilshole Liveaboard Assoc., Brianne-Pres: The Shilshole Liveaboard Assoc is working on providing more social events for marina tenants in conjunction with CYC like BBQs, CPR training, cruising, kids activities, and education series

- **Shilshole Prepares** is an Emergency Preparation and Response program here at Shilshole that is run in conjunction with the City of Seattle neighborhood programs. The Shilshole Liveaboard Assoc. administers the program here at Shilshole and full details can be found on the **Shilshole Blog** (shilsholecommunity.org). Kristen Sierra on D dock has spearheaded this program for several years and is stepping down so if you are interested please contact me or Kristen (her info is on the gate bulletin board).

Dock Reports-Dale: no major issues
